Thank you for staying with us — it has been a pleasure hosting you! Before you head out, please take a few minutes to go through the checklist below. It keeps things simple for the cleaning team and ensures a smooth departure for everyone.

BEFORE YOU LEAVE — DEPARTURE CHECKLIST

Take all garbage out of the apartment

Drop bags at the parking lot bins before leaving — Bin 1 for plastic & glass bottles, Bin 2 for everything else.

Strip all beds

Remove all sheets and pillowcases. Leave all bedding and used towels in a pile on the floor beside the washer/dryer.

Turn off all lights and ceiling fans

Do a quick walk-through of every room — including bathrooms — to make sure everything is off.

Turn off all air conditioning units

Check both bedrooms and the living/dining/kitchen unit before closing the front door.

Return the Guest Card at the gate

Hand the large Alamar Guest Card back to the guards as you exit. See the warning box below.

Notify the guards you are leaving

Let them know at the gate — they will send maintenance staff to shut off the water and propane in the unit.

Optional — Leave a tip for the cleaning lady

Leave a tip on the kitchen counter with a small handwritten note so she knows it is for her. Always greatly appreciated!

GUEST CARD — IMPORTANT

If you received a Guest Card on arrival (given to guests who drove in), you **must return it to the security guards at the gate as you exit**. Failure to return it results in a charge of at least **\$500 pesos**, billed directly by Alamar.

It has been such a pleasure having you!

*We truly hope you enjoyed every single moment of your time here —
the sunsets, the pool, the jungle air, and the pace of it all.*

*You are always welcome back, and we genuinely hope to see you
again next year.*

Have a safe, smooth, and wonderful trip home!
